## Private Landbrauerei Schönramer

*Freddie Schönram is ninth generation to inherit the entire Schönram village with its brewery, **Private Landbrauerei Schönramer**.*

*This brewery is all about "terroir," the environmental conditions, especially soil and climate, in which malts and hops are grown and that give a beer its unique flavor and aroma.*

*They use a single strain of barley malt called "Barke" grown exclusively for them by two local farming families. Their hops, as well, are grown by local farmers for their specific, full aroma.*

*The Gold is a pale strong lager that is the same style made for Oktoberfest.*

## Tasting Notes

*Schönramer Gold 6.0%abv*

*A strong and treacherous beer because of its drinkability. It has a perfect golden yellow color with a sweet chestnut aroma. It has a flavor of freshly baked white bread with a sweet honey nose and a perfect harmony of hops and malts.*
