Private Landbrauerei Schönramer

*Freddie Schönram is eighth generation to inherit the entire Schönram village with its brewery, **Private Landbrauerei Schönramer**.*

This brewery is all about "terroir," the environmental conditions, especially soil and climate, in which malts and hops are grown and that give a beer its unique flavor and aroma.

They use a single strain of barley malt called "Barke" grown exclusively for them by two local farming families. Their hops, as well, are grown by local farmers for their specific, full aroma.

The Pils is deceptively pale in color but strong in alcohol.

Tasting Notes

Schönram Pils 5.4%abv

The World's Best Pils. A very elegant nose of roses, violets and lavender, with a touch of white pepper. The beer will make you both hungry and thirsty.
